Mission of First Presbyterian Church of Delaware

“Living out the gospel of Jesus Christ through unconditional Love”

An Open and Affirming Congregation

The First Presbyterian Church of Delaware has declared itself an “Open and Affirming Congregation.”

A Matthew 25 Church

The First Presbyterian Church of Delaware has declared itself a “Matthew 25” Church.

A Matthew 25 church in the PCUSA is committed to three areas of focus:

- Dismantling structural racism: This involves breaking down systems, practices, and thinking that lead to discrimination, bias, prejudice, and oppression
- Eradicating systemic poverty: This involves working to change laws, policies, and structures that perpetuate economic exploitation of people who are poor.
- Building congregational vitality

The Matthew 25 vision is based on the Bible's Matthew 25, which says that at the end of time, all nations will be judged by how they treat the least of these. The passage calls for people to act compassionately and boldly, and to serve those who are poor, imprisoned, oppressed, or hungry

An Earth Care Congregation

The First Presbyterian Church of Delaware was officially certified as a “Presbyterians for Earth Care Congregation” by PCUSA in February 2015 and has been recertified annually ever since. It was the first church in Scioto Valley Presbytery to receive this recognition. The award was for outstanding environmental stewardship achievements in worship, education, facilities and outreach in the life of the church.

Congregational Covenant for First Presbyterian Church

Adopted by Session 7/11/2023

Who we are

Because First Presbyterian Church of Delaware desires to be a community based on our love of God and neighbor, and expresses this love by worshipping God, studying Christ's teachings, and discovering the work of the Holy Spirit, we respond to God's call by striving for nurturing, vital, Christian relationships. Further, we go out to spread God's love and justice in our diverse community and world. [FPC's mission statement]

Who we intend to be

We strive to be in community by welcoming and listening to each person respectfully, with kindness and without judgment, seeing all as loved and blessed by God the moment we encounter them. We appreciate the diverse gifts of everyone, while expressing ourselves transparently, kindly, and honestly when we disagree, with room for growth and creativity. We seek to be faithful together even in tough times, sensitive to feelings and circumstances. We share empathy, open-mindedness, and hopeful, positive attitudes because we are a faithful people.

Stumbling blocks and accountability

As we accept this way of being together, we are mindful that conflict is a part of life. To foster a healthy community we avoid assumptions, gossip, secrecy, exclusion, sabotage, disrespect, cliquishness, condescension, coercion, manipulation, threats, and polarization. When we encounter unhealthy behavior that cannot be resolved by the parties involved, we will call in our Conflict Response Team. They will strive to deal with the behavior by addressing the situation directly, asking clarifying questions, asking about intentions, and considering different perspectives. The Team will work toward repentance and reconciliation between/among the parties. If repentance and reconciliation are not possible at the time, the Team will turn to Session for further actions and decisions.

Commitment

We, the people of First Presbyterian Church in Delaware, Ohio, live in the love of God and with the love of neighbor. We are human beings who covenant to live together in the ways we have stated above. So be it.

Historical Summary

The First Presbyterian Church of Delaware was organized in 1810 by Joseph S. Hughs, a Presbyterian licentiate from Pennsylvania. In the beginning, there were 14 members. The frontier church pastor Hughs ministered over three communities of Delaware, Liberty and Radnor (now Old Stone). All three congregations still exist. The Delaware congregation began using worship facilities provided by the county in their new courthouse. When President James Monroe toured the Western States in 1817, he attended worship service on July 23, 1817, led by Reverend Hughs. Reverend Hughs baptized future President Rutherford B. Hayes in 1823. Hughs died during the epidemic of 1823 after having served 13 years, and was succeeded by another Pennsylvanian, Henry Van Deman, a full-fledged Presbyterian minister.

In 1825 a small stone church was erected at the present site. In 1841, after a history of problems on both the national and local level, 54 members left to organize an officially recognized Second Presbyterian Church of Delaware.

In 1843 a new brick structure replaced the stone church. Van Deman's eventful 34-year Delaware pastorate ended in 1859. Eleven years later, in 1870, the dissident group was happily reunited with this, the parent church, and a new era began. The 1870's also allowed for growth and community involvement with an addition to the front of the church for meeting rooms, a bell tower, and a steeple.

Sketch of 1840's building

The 20th century allowed for expanded ministries and comforts. Additions to the church provided Sunday School rooms, as well as central heating and indoor bathrooms.

First Presbyterian is generous with its space to many community groups. A modern kitchen allows for community meals. Technology upgrades have made the ability to share worship on Sunday to the world through the internet. Something that the small band of faithful in 1810 would find astounding.

Today this over 200-year-old congregation continues to play a highly visible and influential role in Delaware's religious, educational, and community life.

First Presbyterian Church, Delaware, O.

Korean Sister Church

An important piece of the history of First Presbyterian Church includes Dr. Horace Newton Allen and his wife, Frances Ann Messenger Allen. Both were graduates of Ohio Wesleyan University and members of FPC. In 1883 the pair left Delaware as medical missionaries landing for a brief time in China before making their home in Korea.

Dr. Allen founded the Presbyterian Church of Korea and became U.S. ambassador to the country. Dr. Allen was instrumental in bringing modern medical care to the Korean people and establishing its health care system. He also translated the Bible from English into Korean.

In 2007, at the invitation of the Namdaemun Presbyterian Church, 3 members of our congregation traveled to Seoul, South Korea. There they celebrated the 120th anniversary of the founding of the Namdaemun Church and the close connection our two congregations share because of the faithful mission work completed by Dr. Horace and Frances Allen.

In February of 2011, 21 representatives from the Namdaemun Presbyterian Church traveled to Delaware, Ohio, to participate in the celebration of our congregation's 200th anniversary. Our Korean brothers and sisters participated in our Sunday Worship Service, prepared and hosted a traditional Korean congregational meal, and attended a play written by FPC Elder Paul Kostyu about Dr. Horace Allen. During their visit, the group also toured Ohio Wesleyan University, exploring its collection of Horace Allen documents and artifacts. They then traveled to Toledo to visit the gravesite of Dr. Allen and toured the U.S. Air Force Museum in Dayton.

In 2015, another group from First Presbyterian Church traveled back to Seoul, South Korea. The Rev. Deb Patterson was invited to preach at the morning worship services (with the assistance of an interpreter). In the afternoon, FPC organist Dr. Joe Musser performed an organ piece he had composed for the Namdaemun celebration. Our visit was filled with very interesting tours, delicious food and time for fellowship.

Both congregations feel blessed by the relationship they share in Jesus Christ.

Intertwine

SUMMARY: To respond to the spiritual and faith needs of youth in grades 6-12 in the Delaware, OH, community who call William Street United Methodist Church, First Presbyterian Church of Delaware, Zion United Church of Christ, or Asbury United Methodist their home church, these four churches are collaborating to offer a joint Youth Ministry, named by the youth and adult leaders as Intertwine Youth Ministry Collective. The purpose of the group is the integration of life and faith as well as relationship building with others in the body of Christ (and persons of other faiths, as opportunity allows).

Gatherings take place in a rotating format between the four partner churches, with the full group (grades 6-12) meeting together when meeting at William Street UMC or Asbury UMC. When the group meets at First Presbyterian or Zion UCC, the group meets with middle schoolers first and then high schoolers at a later time.

FOCUS: The primary focus for Intertwine Youth Ministry is relationship-building with God, one another, the Youth Pastor, and other adults. Utilizing an adult team approach enables youth to connect with multiple adults. Not only does this approach broaden the youth's connections with faith communities, but it also offers a wider support system of adults to celebrate joys and to embrace challenges. The Youth Pastor provides the structure for Intertwine and leads the programming; adult volunteers are counted on for consistency in presence and support. Intertwine encourages ongoing participation in worship and other activities at each youth's respective home churches, while striving toward unity within the Youth Ministry. Conversations include diverse theological perspectives and beliefs. Conversations, while being respectful of that diversity, also challenge one another to grow in faith through questions, discussions, and exploration.

HISTORY: Intertwine Youth Ministry Collective began as a partnership between William Street United Methodist Church and Terra Nova Community Church in fall of 2016. These two churches worked in collaboration with the Rev. Kara Jones, Youth Pastor (a fully ordained Deacon in the United Methodist Church), to make this dream and calling a reality. First Presbyterian Church of Delaware joined in fall of 2018. Zion United Church of Christ joined in fall of 2019 while Terra Nova merged with a church in Powell, OH, and exited the partnership. Asbury United Methodist Church added to the Intertwine partnership in spring of 2022.

- Obstacles:
- Long-term goals: Continue to provide meaningful discussion topics to enhance participants' faith understanding

Conflict Response Team

- Responsibilities: To be point persons for staff and/or congregation members to approach when a medium- or high-level conflict occurs among persons serving/attending FPC when the parties involved cannot reach resolution
- Accountable to: Session and the Pastor
- Current number of members: Three or four persons who are not paid in any way at FPC for service and who do not have conflicts of interest as committee chairs and who are relatives of the persons in conflict (conflictees) at the time of appointment to the Team by the two Boards (Session, Deacon). Members of the Team shall be made up of Elders, including one sitting Elder, and Deacons. Service on the Team is for three years, renewable for one additional term. Consideration and training will be given to those serving for a shorter length of time.
 - a) Team members will undergo conflict management and conflict resolution training within a month of coming on board. (Resources will be provided.)
 - b) Team members must attempt to remain as neutral as possible during a conflict scenario. When neutrality is not possible or where a conflict of interest exists, members need to recuse themselves from involvement.
- Optimal number of members:
- Task assignment method:
- Interacts with: The Pastor
- Benefits to FPC/community: Provides a method of conflict resolution
- Obstacles:
- Long-term goals:
- Process:
 1. Team member names and a description of purpose will be made available to the staff and congregation at least once per year.
 2. When approached with a scenario, Team members will make sure to listen to each party carefully, asking open-ended questions without judgment or assumption.
 3. Team members receiving a stated concern will immediately inform the pastor, gap pastor, or interim pastor in general terms, including the names of conflictees, and may request resources particular to the conflict. The pastor will also keep this information confidential as necessary. If the pastor is a conflictee, a designated Session member will need to notify the Presbytery Church Liaison, and the Session will need to be informed.
 4. One designated Team member will request written information about the conflict from all parties involved, with a deadline by which these documents must be turned in. These documents will be held confidential through a shared system available only to the Team or several others by permission.
 5. This information (verbal and written) is to be kept confidential within the Team, unless it causes potential and/or immediate harm to the church. Further, parties involved also will be asked to keep their written material and conversations with the Team confidential moving forward.
 6. Team members will determine “level” of conflict – low, medium, high – and discern if the conflict is a presenting issue with something deeper going on, or if it is what it appears to be, based on written data and conversations with conflictees.

7. If conflict is high, Team members in consultation with the pastor will either invite mediation or coaching from an external source. If conflict is medium, Team members may have listening sessions with both/all parties, employing tools for conflict management or resolution during the discussion. Assurance that conflict is uncomfortable and opportunity for growth at each listening session is important.
8. At the close of the Team members' involvement, they will invite the conflictees to co-create a covenant about stated intention and hoped-for impact as a framework for their communication with each other. Celebration of resolution, if one occurs, is always appropriate. If there is no resolution, conflictees will be invited to name how they wish to move forward in ways that do not cause harm.
9. Team members remain available to each party.
10. If management or resolution cannot occur within six months, and harm continues, the Conflict Response Team needs to forward the situation to the Session, at which time Session conflict protocol will be put in place.

DEI Committee

- Responsibilities: Promotion of Diversity, Equity, Inclusion and Justice and Accessibility within the congregation and in the community. We work with groups such as the Delaware African American Heritage Council, Unity Community Center and the Delaware Pride Festival. As of Spring, 2025, activities have included:
 - Sponsoring at least one table at the annual MLK Jr. Celebration breakfast at Ohio Wesleyan University. FPC has been participating in the MLK Celebration for over 32 years.
 - Sponsoring kits for the annual Hair Love Project for four years. These kits are distributed in our booth at the Juneteenth Celebration in June.
 - Sponsoring various studies, including book studies, that open to our congregation throughout the year. For example, DEI hosted a Poverty Simulation for the congregation in early 2025.
 - Sponsoring a booth at the Delaware Juneteenth Celebration for three years.
 - Sponsoring a booth at the Delaware Pride Celebration for four years.
 - Participating in the Delaware Kwanzaa celebration for two years.
 - Participating in the Delaware African American Heritage Council (DAAHC) Scholarship Fund for four years.
- Accountable to: Session, the Pastor, the Congregation and the Community
- Current number of members: TBD
- Optimal number of members: TBD
- Task assignment method: Mutual agreement
- Interacts with: Session, Christian Education, Mission, Worship & Music committees
- Benefits to FPC/community: The committee promotes diversity, inclusion, equity, accessibility and justice within the congregation of First Presbyterian Church and in the city of Delaware.

Fellowship Committee

- Responsibilities: This committee strives to provide social events that allow for the church family to have opportunities to gain a closer relationship with each other in fun and relaxed environments. Events are selected to appeal to a broad spectrum of interests and ages. The committee's goal is to have at least one event per month.

The committee chair also coordinates in arranging workers for the Sunday Coffee Time after the service and providing instructions inventories and purchases the common use Kitchen supplies.
- Results: Past events have included chili cookoffs, spaghetti nights, Karaoke nights, hayrides, trips to "The Wilds" and plays and musicals, and annual Veterans Recognition. In addition, the committee coordinates the Diners' Club, which forms groups of six to eight people who meet for roughly monthly meals together.
- Accountable to: Session
- Current number of members: 6 to 8
- Optimal number of members: 6 to 8
- Task assignment method: Everyone contributes ideas, and everyone works to achieve success for each event.
- Interacts with: Membership and Outreach committee, Kitchen Ministry
- Benefits to FPC/community: Providing events for all ages that allow the church family to gain closer relationships with each other.
- Obstacles:
- Long-term goals: Encourage more diverse participation on the committee.

Finance Committee

- Responsibilities: Works with Finance Coordinator to monitor expenditure of funds, improve accounting/reporting practices, prepare annual budget and prepare and report financial results. Assists, as needed, in preparation of grant requests. Works with pastor to conduct stewardship drives. Oversees and reports on investment portfolio. Makes church deposits, records contributions in Church Windows, and generates and distributes periodic giving statements.
- Accountable to: Session
- Current number of members: 5
- Optimal number of members: 6 to 7
- Task assignment method: Assign specific committee members to various duties (Stewardship, Laundry Love, FPC weekly deposits). Work collaboratively in small groups on specific projects (new financial report to congregation, for example). Committee chair works one-on-one with Financial Coordinator to monitor/modify accounting practices, review financial reports.
- Interacts with: All boards and committees.
- Benefits to FPC/community: The committee keeps its fingers on all things financial, which typically doesn't come naturally to most people. As with any organization, the function of the financial people is to make sure the church is making good decisions and to help leaders and members understand church finances and respond to financial concerns.
- Obstacles: Experience has been that the "sure, let's go ahead purchase, spend, hire that item or person," mentality is pervasive among church leaders. That's a tough nut to crack. This is probably contributed to by the relatively large endowment the church has (and spends from prolifically to the peril of the long-term financial health of FPC).
- Long-term goals: Maintain the key ministries, continue to assist FPC to grow and prosper while keeping the financials sound for the long term. The committee's primary concern, both long and short term, is to do whatever is possible to maintain a mission-oriented, relevant, spiritually prosperous church that is run on a financially sound basis.

Human Resources Committee

- Responsibilities: The committee is charged with overseeing church employment practices subject to approval by the Session and Book of Order. The committee is tasked with making hiring and firing recommendations to Session, providing confidential annual performance and compensation reviews and making salary recommendations to Session for all employees. For the Pastor's compensation, HR makes recommendations to the Session, which then presents it to the congregation for approval.

The committee is also tasked with handling grievances arising from employment or conditions of employment that cannot be solved satisfactorily by the Pastor (as Head of Staff). The HRC may seek the advice of the Presbytery's Executive Presbyter or the chairperson of the Committee on Ministry.
- Accountable to: Session
- Current number of members: 2
- Optimal number of members: 4 to 6
- Task assignment method: With so few members it was difficult to assign responsibilities. Previously, when the committee had more members, one or two members handled a certain topic or assignment.
- Interacts with: Most other committees, especially Finance, and any committee or Board that would have a job opening (for example Trustees when the church had an opening for a custodian).
- Benefits to FPC/community: Provides confidential, professional-level employment services.
- Obstacles: The inability to fill the HR Committee Chair role and expanding the number of committee members.
- Long-term goals: To be determined once an HR Committee Chair is in place and up to speed

Membership and Outreach Committee

- Responsibilities: To track attendance numbers, reach out to visitors, assist with new members joining, schedule Sunday service greeters, assist with data gathering for outreach events such as Homecoming.
- Accountable to: The Pastor and Session
- Current number of members: 5
- Optimal number of members: 5 to 7
- Task assignment method: Rotation between committee members of the collection of pew attendance pads month-to-month. One member is assigned to schedule Greeters. As projects present themselves (such as collecting lists of members not in attendance), members volunteer.
- Interacts with: Session, Fellowship Committee
- Benefits to FPC/community:
 - 1) Being the friendly face of FPC by scheduling Greeters and reaching out to visitors by communicating a welcome after their visit.
 - 2) Helping with the welcoming of new members with a welcome bag.
 - 3) Having available information concerning attendance numbers and (as much as is possible) names.
- Obstacles: Being an aging, mainline Protestant church in an increasingly secular world.
- Long-term goals: To continue providing the services currently provided, while designing and implementing strategies for church membership growth.

Mission Committee

- Responsibilities: Mission at FPC is about community involvement. Looking at the needs of the church's wider community and figuring out a way the church and its membership can help.
 - The church has sponsored Laundry Love since 2017. The church typically serves 50 to 60 families twice a month. Other churches also send volunteers to help with laundry.
 - FPC's Kitchen Ministry began in 2007. In 2023 the church served 3,642 meals and is set to serve even more families with meals in 2024).
 - The Mission Committee has sponsored Scarf the Town (along with CE) for several years. Scarves are donated and they are taken to various places around town, usually in November or early December for anyone who needs them.
 - FPC is owner of and landlord to the Helen House which leased by Maryhaven Inc. for a residential addiction recovery program.
 - The church makes donations to various local non-profit organizations.
 - The church also sponsors Presbyterian Special Offerings four times each year including Peace and Global Witness (World Communion Sunday), Christmas Joy, One Hour of Sharing and Pentecost Offering.
- Accountable to: Session, the Pastor and the Congregation
- Current number of members: 9
- Optimal number of members: 9
- Task assignment method: The Community Meal (aka Kitchen Ministry) and Laundry Love are each headed by a different member of the committee.
- Interacts with: Finance Committee and the Board of Trustees
- Benefits to FPC/community: The committee provides FPC with exposure to the community and its needs. By providing the congregation with information about its mission work, it allows members of the congregation to see where their money is being spent and gives them the opportunity to become involved where they feel called. Another benefit is to the individuals and groups that the church serves and to which it donates.
- Obstacles: Funding is one of the church's biggest obstacles. The church continues to look for donations of time and money from the congregation as well as outside sources. The church is fortunate that God has provided and continues to provide resources to do this work for the most part. The church has turned in two grants for next year and may look at other grants to help continue its work for the community. Occasionally the church has to work to find volunteers, but that is rare.

Another obstacle is educating/sharing with the congregation and the community about what the church does and how it is responding to God's commandment to "love thy neighbor." Answering the questions "How do we help our members get out of their comfort zone when it comes to loving their neighbors? How do we engage our whole community and encourage others in our church community to

share their gifts and listen to their calling from a mission's standpoint?"

- Long-term goals:

The committee's long-term goal is to continue to provide the church community with the support and means where there is a need.

Community Meal aka Kitchen Ministry

History:

Delaware FPC's Community Meal began in 2007 after a major renovation of its kitchen stirred church members to commit to using the kitchen for positive effect in our community.

The response to the first meal offered was a great disappointment, as no one showed up. But slowly the word circulated about the meal and community people began showing up.

The church's meals from 2007 until March 2020 were a sit-down, served meal in the Social Room, complete with white table clothes, real plates and silverware, and often with background music supplied by church members. The number of meals served averaged between 30 and 40.

The lockdown for COVID 19 forced FPC to change the format of the meal. The church began to distribute meals from its back door and to deliver meals directly to members of the community. By the end of 2023, the church was serving 150-170 meals, some distributed curbside and most delivered to church members and to residents at White Sands, London Town Apartments and, occasionally, Family Promise or Helen House.

- Responsibilities: Addressing the food insecurity issues in the community and church family by fixing and distributing two free meals a month. Meals are available curbside at the church for walk- or drive-ups and also taken directly to people on a list. Meals are also distributed in two different low-income housing complexes.
- Results: During the summer of 2024, an average of 180 meals were delivered at each bi-monthly event with an average cost per meal of \$1.80.
- Accountable to: Mission Committee
- Current number of volunteers: 32
- Optimal number of volunteers: 35 or more
- Task assignment method: All meal planning, volunteer coordinating, budgeting, communicating with the congregation and general supervision of the meal are provided by a single meal coordinator. For meal preparation and delivery, responsibilities are split between planning, purchase of ingredients, meal preparation, packaging, clean-up, and delivery.
- Interacts with: Fellowship, Mission, Trustees, Deacons
- Benefits to FPC/community: Add
- Obstacles: The biggest obstacle is being able to have enough volunteers to run a meal service successfully. Volunteer burnout is also a concern.
- Long-term goals:
 1. Expand food service options, for example, a lunch meal service, weekend/summer food staples for school age kids
 2. Improve and develop partnerships with other local business and organizations

Laundry Love Committee

History:

Laundry Love began in 2017 when two church members discovered a need in the community for help with laundry. It was discovered that there is only one laundry facility in Delaware and that there are many families who do not have access to a washer and dryer where they live. Starting with these two members, the program has grown and adapted to its present form, which hosts two sessions a month with assistance from numerous sources. The church is grateful for the ongoing volunteer and financial support of William St. UMC, Old Stone Presbyterian Church, Asbury UMC, Sourcepoint, the Kindness Project, the Delaware Lions, and many others.

- **Responsibilities:** The church sponsors two Laundry Love sessions per month, one during the day and one in the evening. Prior to each session, the committee is responsible for securing volunteers for each session, obtaining laundry supplies and quarters, and advertising the sessions. During each session, the committee and/or volunteers are responsible for registering guests, dropping quarters into the machines, and enforcing load limits. Volunteers also serve a meal and fruit at each session.
- **Results:** At the last LL date, the total number of guests signed in was 49 and the total number of loads of laundry done was 132.
- **Accountable to:** The guests who use the Laundry Love service; the churches and community groups that supply volunteers and financial support; and the Mission Committee and Session
- **Current number of members:** 4 plus many volunteers
- **Optimal number of members:** Same
- **Task assignment method:** A step-by-step instruction sheet and job descriptions for each position are supplied to the people volunteering. Responsibilities are split by a coordinator between registration, quarter people for washers, quarter people for dryers, and a money person (hands money only to the washer & dryer quarter persons).
- **Interacts with:** Finance Committee, Missions Committee
- **Benefits to FPC/community:** The average cost per load of laundry is between \$10 and \$11. Clearly these prices represent a challenge to many people living on fixed incomes who typically have difficulty allocating their limited resources among housing, food and medical expenses. In addition, the meal that is served can also help guests stretch their resources.

As well as providing the community with exposure to Delaware FPC, the committee provides FPC with exposure to the general community and its needs. By providing the congregation with information about this mission, the committee allows members of the congregation to see where their money is being spent and gives them the opportunity to become involved where they feel called.

- Obstacles:

Funding is one of the committee's biggest obstacles. The committee continues to look for donations of time and money from the congregation as well as outside sources. The committee has turned in two grant proposals for next year and may look at other grants to help continue its work for the community.

Occasionally the committee has to work to find volunteers but that is rare.

The other obstacle is educating/sharing with members of the congregation and with the general community about what PFC does and how it is responding to God's commandment to love thy neighbor. Answering the questions: How do we help our members get out of their comfort zone when it comes to loving their neighbor, and how do we engage our whole community and encourage others in our church community to share their gifts and listen to their calling from a mission's standpoint?

- Long-term goals:

Looking ahead, the committee anticipates a growing need for laundry services such as Laundry Love. The committee's goal is to continue to provide the general community the support and means where there is a need.

Nominating Committee

- Responsibilities: Develop a list of candidates for each board with the input of the pastor and recommendations from the respective boards.

- Optimal number of members: 7 as mandated by the Bylaws
- Task assignment method: Active elder serves as chairperson. The committee determines which positions will be open (those with ending terms and ineligible to continue or those that are vacant). The committee develops a list of candidates for each board and then divides up the names and begins the calling process to obtain permission to nominate the individuals.
- Interacts with: Pastor, Session, Board of Trustees, Deacons
- Benefits to FPC/community: Presents a slate of nominees to the congregation for approval
- Obstacles: Current obstacles include:
 - fewer active members than prior years
 - the same people volunteer for everything
 - the requirement that one has to be a member of Session or the Deacons
 - a conflict and uncertainty in church (improving greatly)
 - the need for new younger families so the church can meet their family needs
- Long-term goals: To keep the boards filled with willing volunteers
- Annual Timeline:
 - Meet in November or December to recruit at-large members which are approved at the congregational meeting in January
 - Meet in April to recruit Elders, Deacons and Trustees which are presented at a congregational meeting called for this specific purpose in May or June.

For special events, the Office Manager contacts the Usher Coordinator, who reaches out for help. The Coordinator also seeks volunteers to be added to the Usher Crew list.
- Interacts with: A/V staff, Office Manager, Pastor
- Benefits to FPC/community: With the Greeters, the Ushers create a welcoming and inviting environment, assist those with special needs, and provide a sense of belonging by providing individual attention and support. Ushering can provide opportunities for personal growth and spiritual development through service to others and to the church's ministry. Ushers contribute to the smooth and effective functioning of the church service, making it a more enjoyable and meaningful experience for all.

Gatherings at Willow Brook

Because there are a number of FPC members and friends who live at Willow Brook Delaware Run, a former pastor began hosting monthly gatherings at those facilities to maintain contact with those persons. The meetings still continue to gather folks together for conversation and a time of reflection on faith topics. The Gatherings are not, at this time, formally accountable to any board or committee or the Pastor. In late 2024, the number of attendees at the Christian Village Gathering had dwindled to the point where the session was discontinued. It may be re-initiated if and when sufficient interest is expressed. The Gathering at Willow Brook Delaware Run continues to meet as of March, 2026.

Helen House

The Helen House is located across the street from Delaware FPC at 35 N. Washington Street. All decisions regarding general use of the Helen House are made by the Session, with all maintenance overseen by the Board of Trustees with approval of expenses by Session.

History:

The property was purchased by Warranty Deed on 12/30/1999 for \$125,000 and consists of .1306 acres with a 2-story house with 1836 square feet and a wood frame garage with 336 square feet.

The property was originally used as a Youth House. At some time during this period, the house was formally named "Helen House." In 2017 it was leased to Jacob's Way to operate a women's sober house under the name Unity House. In 2024, the lease was terminated and a new lease was signed with Maryhaven, Inc., to provide a women's sober house. The convention of calling the property "Helen House" was restored at that time.

The Board of Trustees has responsibility for the maintenance and upkeep of the property. Payments for the lease are sent by the Delaware-Morrow Mental Health & Recovery Services Board, on behalf of Maryhaven, Inc., to the Del FPC Financial Coordinator. Proceeds from the lease payments are used to offset maintenance and property improvements. Any profits from the lease of the property will be used toward mission projects such as, but not limited to, Laundry Love and the Community Meal.

- Long-term goals: Re-evaluate and potentially continue the relationship with Maryhaven, Inc., at the expiration of the initial term of the lease.

The group is not supported by the church but consists solely of church members. As of 2024, the group is comprised of a fiddler, two banjo players, an upright bass player and 4 guitarists. Besides playing in worship at Delaware FPC, the group has played at other Presbyterian churches, such as Old Stone and Ostrander, for community events and for the church's annual Christmas Party.

- Responsibilities: Provide music for services and other events
- Accountable to:
- Current number of members: 8
- Optimal number of members:
- Task assignment method: Mutual consent
- Interacts with: Worship and Music Committee, the Pastor

- Long-term goals: Keep on pickin'

Email Voting and Electronic Meetings Policy

This policy was officially adopted 15 May 2024 by the Delaware First Presbyterian Church by Session. However, the Presbytery of Scioto Valley has subsequently ruled that Sessions may not use email as an official form of voting.

Email

Recognizing that urgent decisions are frequently necessary between regularly scheduled Session, Trustee or board/committee meetings, the Session of the First Presbyterian Church of Delaware, Ohio, adopts the following policy concerning voting via email

- a) An email clearly stating the motion to be voted on must be sent to each respective board or committee member, with a CC: to the Pastor.
- b) Only a single motion should be addressed in an email. Supporting details should explain the reason for the motion.
- c) The email may originate from the chairperson or any member of the board or committee, or the FPC Pastor.
- d) Every board member should reply to the email in writing (by reply email). The response should be clear — yes or no, recusal, or abstention.
- e) The vote must be unanimous unless members recuse themselves (such as for conflict of interest) or abstentions. All votes cast must be in the affirmative for the motion to pass.
- f) The board or committee must affirm each email vote at its next meeting by recording it in the minutes.

Electronic meetings

Recognizing that although attendance of board and committee members in person is preferred, there are times when electronic attendance is necessary. The Session of the First Presbyterian Church of Delaware, Ohio, adopts the following policy concerning voting via electronic meetings.

- a) Boards and committees are allowed to conduct meetings through the use of Internet meeting services, provided the following information is sent to all members of the body via mail, email, text or other messaging service.
 - i) Login information.
 - ii) Login time.
 - iii) Reason for meeting.
- b) A CC: of the meeting notice must be sent to the Pastor.
- c) A quorum must be established per normal requirements.
- d) Each member is responsible for his or her own audio and Internet connections; no action shall be invalidated on the grounds that the loss of, or poor quality of, a member's individual connection prevented participation in the meeting.
- e) Minutes of the meeting shall be kept by the applicable secretary or clerk and distributed per normal meeting requirements.

Emergency /Crisis Pay Policy

Revised 2024

In any case where there is an Emergency or Crisis that causes the interruption of the church's operation and as a result the pay of church employees and/or the Pastor are impacted, then following policy shall apply.

The Pastor and all Exempt (salaried) employees shall continue to receive their normal pay.

All Non-exempt (hourly) employees shall receive their regular pay, calculated as follows:

- If the employee works less than their Normal Number of Work Hours during a payroll period, they will also receive pay for the remaining hours not worked due to the Emergency / Crisis.
- Example: Employee A normally works 20 hours in a payroll period, but due to an interruption in the operation of the church, only works 10 hours. The employee will be paid for the 10 hours actually worked, but then would be paid for the remaining 10 hours per the guidance of this policy.
- The Chair of the Human Resources Committee, in concert with the church's Financial Coordinator and the Pastor, will determine the Normal Number of Work Hours based on the employee's total number of hours worked in the previous calendar year (pro-rated if the hourly employee worked less than the full 12 months in the previous calendar year.)

An Emergency / Crisis Pay situation can only be declared by Session through an approved and adopted motion. Once declared, this policy will be in effect for two (2) months, after which Session can approve one or more extensions of use of this policy. Session may suspend use of this policy at any time.

Endowment Funds Withdrawal Policy

Adopted 21 Jan 2025

Recognizing that FPC relies on withdrawals from unrestricted endowments to support ongoing operations and recognizing the need to strive for sustainability of such withdrawals and also recognizing that circumstances change, Session establishes, as a goal/target, that annual withdrawals from unrestricted endowments should not exceed, but not be strictly limited to, \$150,000. Such goal/target will be considered when making financial decisions and budgets for the church.

Kitchen and Social Room Equipment Check-Out Policy

Updated 2018

As agreed upon by the various committees that use the kitchen, the following policies are now in effect:

Kitchen/Social Room Equipment Check-Out Log

1. As church family members we may all have the occasion when we need to borrow item(s) from the church Kitchen or Social Room. So as to know the location of all equipment, a log book is now located on the preparation table for equipment check-out. When borrowing items (Kitchen and Social Room) please make entries in this log giving your name, date, phone number and items borrowed. When items are returned simply draw a line through the entry. The exception to this procedure is if you wish to borrow tables or chairs. Please contact the church office for this request for approval.

2. The following “Common Items” are bought by the Fellowship Committee for all church groups to use:
 - Napkins (lunch and cocktail)
 - Paper Plates (3 section divided)
 - Dessert plates
 - Plastic knives, forks and spoons
 - Flour and Wondra
 - Sugar
 - Spices
 - Butter Patties
 - Vegetable Oil
 - Coffee, Tea, and associated supplies
 - Lemonade
 - Apple Juice (for cranky youngsters)
 - Foil & cling wrap
 - Leftover containers
 - Ziploc
 - Paper Cups (hot and cold)

If you notice we are low on any of these items, please place note on marker board.

This concept conserves church resources as individual committees do not need to have their own supply of each.

There is also an assortment of canned goods (fruits and vegetables) on the bottom shelf that can be used for an emergency, i.e. a church or committee event that ends up a little short. If you use, please replace

I. T. Policy/Procedures

Google Docs

Google Workspace is an all-in-one communication platform that includes a collection of cloud business communication, productivity, and collaboration tools. Workspace includes a number of familiar applications such as Gmail, Google Calendar, Google Drive, Google Docs/Sheets/Slides and Google Meet.

Google Workspace will be used by staff and committees primarily for internal communications, email, cloud storage/sharing, and calendar sharing. The goal is for Workspace to replace the current system of operating and reporting between staff and committees.

Each staff member and committee will receive one Workspace user account in which they have access to all Workspace tools and applications. Committees will designate one committee member to operate the workspace account. Designated users of each account are called Account Managers. Each user account gives access to a special google email address with the delfpc.org suffix and access to all Workspace applications.

Documents can be shared with individuals to collaborate with. If you are viewing a google document someone else is editing, their changes will be visible in real time.

Taylor Smith (Media Specialist) and Chuck Stringham (Session Liaison) are administrators of FPC's Workspace accounts and will manage the change of users, passwords, and other updates needed to each user account. Church members are asked to email the administrator (admin@delfpc.org) if they have issues or questions about their user account. Any administration changes will be communicated to staff and committees appropriately.

Training will be conducted between designated Account Managers and an Administrator either in group training or scheduled for individual training. Training will include setting up the Workspace user account, how to access new email and applications, and an overview of new communication procedures. Additional training will always be available if needed. Please contact an administrator to schedule additional training.

Worship Service Streaming And A/V Tech

Sunday Services/Social Media

The Media Specialist is employed, in part, to stream Sunday Services on the internet and to post a copy of the services on YouTube and Facebook. The specialist should maintain a procedures manual that provides instructions for the technical aspects used during services, the streaming of services, and the posting to social media of services and other announcements from the church.

Overhead Projection

Overhead projection is available for use in the Social Room, the Campbell Addition, and the Library. The Social Room has an overhead projector and screen for use. The Library and the Campbell Addition have pull-down screens; a portable overhead projector is located in the storage closet in the Campbell Addition. A VGA-to-HDMI cable is provided.

Wedding Policy

The Sanctifying of Marriage

Marriage is a gift God has given to all humankind for the well-being of the entire human family. Marriage involves a unique commitment between two people to love and support each other for the rest of their lives. The sacrificial love that unites the couple sustains them as faithful and responsible members of the church and the wider community.

A couple requesting a service of Christian marriage shall receive instruction from the teaching elder (minister), who may agree to the couple's request only if, in the judgment of the teaching elder, the couple demonstrate sufficient understanding of the nature of the marriage covenant and commitment to living their lives together according to its values. In making this decision, the teaching elder may seek the counsel of the Session, which has authority to permit or deny the use of church property for a marriage service.

The Christian marriage ceremony is a service of worship before God. Reverence shall be expected on the part of all present and the service shall be under the sole direction of the minister.

- From *The Book of Order*

The Minister

It is customary for our minister to conduct the wedding ceremony. If it is your wish to have another minister assist in the service, it is requested that you consult our minister, who will assist you in making appropriate arrangements. Both the rehearsal and the wedding are under the direction of the minister.

Our minister will work with you, providing or arranging appropriate pre-wedding counseling and helping to answer any questions.

The Marriage Service

The marriage service shall begin with a brief statement of the meaning of Christian marriage. At appropriate times during the ceremony, there shall be prayers for the couple as they enter their life together. There shall be an exchange of vows between the couple, and, if so desired, an exchange of rings. The minister may deliver a charge to them, laying before them both the privileges and obligations which they are about to receive and undertake. Before the conclusion of the service, the minister shall declare publicly that the couple is now joined in marriage according to the ordinance of God and the laws of the state. The minister will discuss with the couple the service they wish to use. Please refer to the Book of Common Worship - Christian Marriage for customary services, scripture, and music.

The Rehearsal

The rehearsal is an important, integral part of the marriage service. Its purpose is to help assure that the actual ceremony will proceed smoothly. The rehearsal is ordinarily held the evening before the day of the wedding and lasts approximately one hour. All persons immediately connected with the wedding party should be present.

If there is a rehearsal dinner, it is recommended that the rehearsal take place before the dinner.

The Music

The wedding ceremony is a worship service. All music should be in keeping with the atmosphere of joyful reverence which characterizes Presbyterian worship. It is within this general framework that music should be carefully selected with the assistance of our church organist who can suggest appropriate selections. If desired, the congregation may be invited to join in singing hymns.

The Organist

Our church organist will provide the music for your wedding or help select a competent substitute organist. If you wish to use instrumentalists, you will need to make these arrangements yourself, with the approval of the pastor. Suggested honorariums are listed below.

Vocal Soloists and Instrumentalists

If soloists are to be used, the vocal music should have a text appropriate to Christian worship. Rehearsal of music should be held at a time agreeable to the soloist, organist, and/or instrumentalists. Suggested honorariums are listed inside the last page of this booklet.

Readings

You may want a close friend or relative to do a reading from scripture. Other readings of literature, poetry, etc. from outside the Bible may be appropriate. Following the principles of worship, they should extol God rather than the wedding couple, and should illuminate God's love for people rather than the idea of romantic love and romance. The minister must approve all readings.

Custodial Service

It shall be the responsibility of the bride and groom to make arrangements with the church office for custodial services which are needed over and above regular duties and working hours. There will be a custodial fee to be paid in advance directly to the custodian.

The Wedding Coordinator

Arrangements will be made through the church office for you to meet with our Wedding Coordinator. This person will assist you in your church-related use of the building, including opening the building and being in attendance during rehearsal and ceremony to help with details. A suggested honorarium is listed inside the back cover of this booklet.

The Attendants

Ushers should be on hand one hour before the ceremony on the date of the wedding and should light the candles when the first guests arrive. They will extinguish the candles after all guests leave the sanctuary. Ushers seat the guests and should request, while doing so, that guests with cameras refrain from taking pictures during the ceremony. It is also helpful if one usher is familiar with the bride's family and friends and another with the groom's in order to help with the seating.

It is suggested that any young children in your wedding party be at least five years of age. Very young children can become frightened or confused by a church full of people, loud processional music, etc. They will be standing in place for at least 15 minutes, so please use discretion in making these decisions.

Decorations

It is the responsibility of the couple to make arrangements with a florist to take care of decorating the church. In addition to flowers and greens, the florist can supply candelabras.

Aisle runners are optional, but not provided by the church.

The carpet and furniture should be protected from wax drippings.

No flowers or other decorations may be placed on the pulpit, lectern, or on the cross.

Flowers or other decorations placed on the ends of the pews must have protective devices to avoid scratching.

Flowers or greens placed on the carpet and furniture must have protective devices under them to prevent water damage.

There are ten windows in the sanctuary. Each has a place for an arrangement if so desired.

When the flowers are delivered, please use the elevator to bring them up to the sanctuary.

Arrangements must be made for removing all decorations immediately after a Saturday wedding, since the sanctuary will be used again on Sunday.

The couple should notify the office in advance if any flowers are to remain in the church for Sunday services, so the office manager can include the announcement in the bulletin.

The throwing of rice, birdseed, confetti and other such materials is not permitted inside or outside the building. The use of bubbles is acceptable outside only.

Photography

In keeping with the spirit of worship, guests in attendance are requested, by the ushers, not to take photographs during the service. It may be customary for your photographer to pose wedding pictures in the sanctuary after the service has been concluded. A time exposure of the ceremony may be taken unobtrusively from the back of the sanctuary. If desired, the minister will stay for photos.

Couples are encouraged to have photographs of the wedding party taken before the ceremony in order to avoid long delays between the service and the reception. Photographs before the service shall be completed at least thirty minutes before worship. Photographers generally require sixty to ninety minutes to complete these sessions.

Video Recording

Any video recordings must be done in a non-disruptive way. The location of any cameras during the ceremony must be approved by the minister.

Marriage License

You must obtain a valid marriage license from the Delaware County Courthouse, or other appropriate court house. This should be given to the minister no later than the wedding rehearsal.

Reception

If the social room of the church is desired for the wedding reception, details may be discussed with the office manager.

No alcohol or smoking are permitted in the church building.

Facilities

The bridal party may use the church facilities to dress prior to the service. The first-floor library and the second-floor choir room are available for changing clothes. There is a restroom on each floor.

The sanctuary seats approximately 250 people and is air conditioned.

Please let your guests know the rear entrance is handicap-accessible, with an elevator nearby to facilitate those who would have trouble with the dual spiral staircases at the main (front) entrance. You might remind them to arrive early as the elevator entrance is at the front of the sanctuary.

General Suggestions

Printed wedding bulletins may be used. If you would like the church to prepare the bulletin, please make arrangements with the office manager.

Use of the church by non-members is at the discretion of the minister and approval of Session, in which case the couple or family may use the sanctuary for a fee.

It is suggested that a good book or website on etiquette be consulted. Many helpful hints are to be found there.

The minister stands ready to assist you in every possible way to make your wedding beautiful, inspiring, and meaningful, and one you will always remember. Please call if you have any questions.

Scouting America Troop 318 and 7318

The Boy Scouts of America has had a standing mission since 1910 to influence our nation by creating moral principled strong leaders by teaching boys how to be young men and influence their communities from within. In 2017 Cub Scouts first allowed girls to join the ranks and then in 2019 the boy scouts allowed girls to start joining troops. This, however, was not a completely unprecedented journey as girls have been allowed to participate in explorer posts and sea scouts since 1969. In order to create a more cohesive understanding and invite all youth to benefit from a fantastic series of programs, starting January of 2025 the new name of the program will be Scouting America. Scouts are still bound by the same oath and law and still carry the same lofty goals of creating a better nation and world through impacting and nurturing moral character in America's youth.

Scouting America Troop 318 has found a home with First Presbyterian Church for more than 60 years. The Troop has influenced countless young men over the years in helping them become moral and conscious leaders in our community. In that time, we have had over 100 scouts attain the rank of Eagle, which represents less than 1% of all scouts.

Currently we serve more than 40 youth and adults that are active not only in the church but also in our surrounding communities. From food drives to service projects Troop 318 has left its mark on Delaware.

Scouting America Troop 7318 is a female only Troop hosted by First Presbyterian Church. In 2019, this Troop was started as a pilot program to allow females to join in the growth experience of Scouting. In the time since, Troop 7318 has had numerous adventures from the Swamps in Louisiana to the deserts of Philmont Scout Ranch in New Mexico. They are an active Troop that is working hand in hand in the community. Troop 7318 has had the honor of awarding five girls the rank of Eagle Scout and as of 2024 serves more than 30 youth and adults.

Community Handbell Choir

Delaware FPC opened its doors to a community Handbell Choir, led by our own Maddy Herzog. The group practices in the choir room most Wednesday evenings.

Cub Scout Pack 318

Cub Scout Pack 318 was started 36 years ago at William Street United Methodist Church. In 2022 they found themselves in need of a home and First Presbyterian Church accepted them into its Scouting family. Cub Scouts is a family program which allows roughly 40 children and their families from kindergarten through fifth grade to build skills, challenge themselves and have fun. While they are having fun, they are also preparing themselves for the troop and further life adventures, learning about community and social issues as well as fulfilling their duty to God and country.

Delaware Bluegrass Jam

A monthly jam session for everyone and anyone interested in playing Bluegrass, usually held on the second Saturday of each month. No electronic instruments other than electric bass, please!

1. Lessor hereby leases to Lessee and Lessee hereby leases from Lessor the real property located at 35 N. Washington Street, Delaware, Ohio, 43015 (the "Premises").

 - (b) Lessor and Lessee have previously agreed upon certain specific repairs to the premises totaling \$8,100 that will be performed by contractors hired by Maryhaven prior to or during Maryhaven's utilization of the premises. Lessor and Lessee agree that Lessor shall be allowed to recoup this investment via rent relief in the form of a credit toward monthly rent of all rental amounts in excess of \$500 per month according to the inserted schedule.

September	2750	-500	1350	0	1400

Subsequent months' amount due will be \$2,750 for the remainder of the term of the lease.

- (c) Lessor agrees to accept rent payments made on behalf of Lessee by the Delaware-Morrow Mental Health & Recovery Services Board.
3. Unless otherwise terminated as provided for herein, this Lease Agreement may be terminated at the expiration of the Initial Term by either party giving at least 30 days' notice prior to the end of the Initial Term or prior to any subsequent rental period in writing to the other party. At any time prior to the expiration of the Initial Term, the Lessor shall have the right to show the Premises at reasonable times to other parties with 24-hour notice to Lessee. Upon the termination or expiration of this Lease Agreement, Lessee shall surrender the Premises to Lessor in good order and condition, excepting ordinary wear and tear. If no aforesaid written notice of termination is given by either party at least 30 days before the

LEASE AGREEMENT

expiration of the Initial Term, then this Lease Agreement shall be considered extended on a month-to-month term until terminated thereafter.

4. Lessee shall not utilize the Premises for its own occupancy, but for the sole business purpose of providing housing to certain clients of the Lessee who are actively engaged in treatment with the Lessee, with Lessee's agreement with such clients being that they must not ingest and use alcohol, illegal drugs, or marijuana while a resident at the Premises, with such nonuse and non- ingestion including both at the Premises and off site from the Premises. Lessee agrees to maintain and enforce a zero-tolerance environment for such ingestion and use of alcohol, illegal drugs and marijuana.

5. Lessee shall promptly sign up for and timely pay for all utility deposits and services, including but not limited to electric, trash, water, sanitary sewer, municipal storm water, gas, telephone, internet, and cable. Lessee shall transfer all applicable utilities into its own name and promptly pay any invoices for said services. Should Lessor ever learn of or receive any unpaid utility invoices for the Property, Lessor, in its sole discretion, may pay any such invoices and seek reimbursement for such payment from Lessee. Lessee shall reimburse Lessor within fourteen (14) days of its receipt of notice that Lessor has paid any such utility invoices. Failure to do so shall constitute a material breach of this Lease Agreement.

6. Lessee accepts Premises in its current condition and state, and agrees that the fixtures, equipment and appliances are in good condition and repair on the date of Lessee receiving possession of the Premises, except as noted in paragraph 2b above. Lessee shall be responsible for the normal maintenance such as light bulb replacement and the interior of the premises as of the date of occupancy, and Lessee agrees to keep the same in good order, maintenance and operation. Lessee further agrees to save Lessor harmless from any loss, cost, damage or claim resulting from breakage or the replacement of broken or damaged glass and windows which are part of the property. It is understood and agreed between the parties that Lessor shall be responsible for the installation, major repair or replacement of the heating system, air conditioning system, electrical systems, plumbing system and hot water tank which will not be considered normal maintenance and repair. Replacement is intended to include replacement of major components which shall include motors, condensers and compressors but not be limited to the entire unit or system. Lessor agrees to be responsible for the maintenance of the exterior of the building and lawn mowing. Lessor shall be responsible for any and all snow removal from the front and back sidewalk areas and driveway. Notwithstanding any provision stated herein to the contrary, Lessee is responsible for keeping the Premises in a clean condition and shall not permit the accumulation of rubbish, junk, dirt, or dust in and about the Premises, with Lessee being responsible for its own janitorial services and cleaning supplies. Lessee shall also keep any porch and the exterior of the Premises clean of all debris and unsightly personal property, with only porch furniture being permitted on the porch. No inoperable motor vehicles shall be parked on the Premises. Also, notwithstanding any provision stated herein to the contrary, Lessee shall immediately reimburse Lessor the cost of all maintenance and repairs made necessary by the negligent or careless use of the Premises' appliances and fixtures and use of the Premises and for the failure to keep the Premises clean and cleared of rubbish, junk, dirt,

LEASE AGREEMENT

and dust. Also, notwithstanding any provision stated herein to the contrary, Lessee is responsible for exterminating the Premises as needed, including the cost of such extermination, and shall take appropriate and reasonable steps to prevent the introduction of bed bugs or other pests onto the Premises. It is agreed that the Lessor or its agent may at all times enter upon the Premises to inspect and care for the same, or to make repairs thereon. In the case of an emergency, the Lessee specifically grants permission to Lessor or Lessor's agent to immediately enter the Premises. For non-emergency matters, Lessor will give Lessee at least 24 hours' notice before entering the Premises.

7. To the extent allowable by law, Lessee shall indemnify and save Lessor harmless against all direct and actual loss, costs, expenses, reasonable attorney fees and damages in the defense and/or discharge of claims against Lessor as to personal injury, death or property damages in the occupancy and use of the Premises by Lessee and its agents, employees, clients, and invitees. Lessee, however, shall not indemnify, defend and hold harmless from and against all losses, liabilities, claims, and damages, costs and expenses (including reasonable attorney's and court costs) arising from the actions of Lessor and its respective officers, directors, members, agents, employees, invitees or licensees. Lessee shall also, at all times and at its own expense, maintain and keep in force general comprehensive liability insurance against claims for personal injury, death, and property damage in amounts not less than \$2,000,000.00 per occurrence and \$2,000,000.00 aggregate, with Lessor being an additional insured on such insurance. Lessee shall keep on file with Lessor a certificate of insurance showing the aforesaid insurance as being in effect, with Lessor named as an additional insured, and upon the written request of Lessor, shall provide to Lessor a copy of the insurance policy.
8. Lessee shall be responsible for any personal property Lessee and its clients and invitees place in, on, or about the Premises. Lessor shall have no liability in the event of loss or damage thereto and it is understood that Lessor's insurance will not be covering such personal property.
9. For any damage to or destruction of the Premises, the following shall apply:
 - (a) Should the Premises be damaged during the term of this Lease and the damage is such that the Lessee can still reasonably house its clients who are actively engaged in treatment with the Lessee while the repairs are being made (not substantial damage or destruction), then there shall be no adjustment to the rent, with the understanding that the Lessee will have to work around the repairs being made and that the Lessor will proceed with having the damage repaired within a reasonable time period. For any repairs to be made, Lessor agrees to consult with Lessee prior to any such repairs being made. Lessor shall not be liable for any inconvenience to Lessee or its clients and invitees nor for any injury to Lessee's business resulting in any way from such damage.
 - (b) Should the Premises be substantially damaged or destroyed, then there shall be a discussion between Lessor and Lessee as to the repairs and replacement of the damage/destruction and whether or not the Lessee and Lessor wish to continue the lease once the

LEASE AGREEMENT

damage/destruction has been repaired/replaced and whether or not the Lessor wants to make such repairs/replacement, and if within 21 days of the substantial damage or destruction the parties have not entered into a written agreement on how they want to proceed, then this Lease Agreement between Lessor and Lessee shall terminate, with rent being apportioned between the parties as of the date of the destruction/damage.

10. Lessor will pay all real estate taxes and assessments applicable to the Premises, if any, as they come due. Lessee shall pay all taxes and assessments relating to its business, if any.
11. Time is of the essence for this Lease Agreement. If Lessee defaults in the payment of any rental installment due or if Lessee defaults in the performance of other covenants and agreements contained herein, and the Lessee fails to cure the default within 10 business days (as reasonably extended to cure the default to the extent Lessee timely commenced to cure the default), then the Lessor shall have the right to terminate this Lease Agreement. A same day cure period applies in instances of default where the Lessee permits conditions to exist at the Premises which reasonably constitute a serious risk to the health and safety of other persons or to the Premises. Upon breach of this Lease Agreement and after given notice by Lessor, Lessee agrees to surrender possession of the Premises to Lessor within seven (7) days; upon failure to vacate the Premises, the Lessor may file an action in forcible entry and detainer. The rights and remedies provided in this Lease Agreement to the Lessor are cumulative in nature and are in addition to any other rights and remedies at law or in equity.
12. Lessee may repaint or make alterations to the interior of the Premises, provided that Lessee pays all costs thereof, does the work in a good workmanlike and orderly manner without incurring a lien or other encumbrance upon the Premises, and acquires Lessor's approval before repainting or making alterations to the interior. Also, as much of the walls and ceilings are plaster, no nails or other penetration instruments shall be used upon the Premises' walls and ceilings, unless Lessee acquires Lessor's approval.
13. Simultaneously with the execution of this Lease Agreement, Lessee is delivering to Lessor the sum of \$2,750.00 as a deposit to secure the performance of Lessee's obligations hereunder (the "Deposit"). Lessor shall retain said Deposit as security, without interest, for the faithful performance of the covenants, conditions and agreements of this Lease Agreement, but in no event shall Lessor be obligated to apply the same upon rents or other charges being in arrears or upon damage for Lessee's failure to perform the said covenants, conditions and agreements, but Lessor may so apply the Deposit, at its option. Lessor's right to possession of the Premises for non-payment of rent or for any other reason shall not in any event be affected by reason of the fact that Lessor holds the Deposit. The Deposit, if not applied towards the payment of delinquent rent or other charges or towards the payment of damages suffered by Lessor by reason of Lessee's breach of the covenants, conditions and agreements of this Lease Agreement, is to be returned to Lessee without interest when this Lease Agreement is terminated. In no event is the Deposit to be returned until Lessee has vacated the Premises and delivered possession of the Premises to Lessor. Upon Lessor acquiring possession of the Premises, Lessor may retain and apply the Deposit towards all rent arrearages, charges, and damages suffered by Lessor, excepting out for

LEASE AGREEMENT

reasonable wear and tear to the Premises. Lessor shall not be obligated to keep the Deposit as a separate fund but may commingle the same with Lessor's other funds. It is understood and agreed that the Deposit is not to be considered as any portion of the last payment of rent under the Lease Agreement.

14. Lessee and the Premises' occupants and invitees shall not keep or have on the Premises any article or substance of a dangerous, flammable, or explosive character that might substantially increase the danger of fire on the Premises or which Lessor's insurance company may consider as being hazardous. Also, Lessee shall not permit the Premises to be used for the storage, manufacture, or disposal of materials determined to be "hazardous substances," "hazardous waste," "toxic substances," "hazardous materials," "solid waste" or "infectious waste," or similar terms under current or subsequently applicable environmental laws, ordinances or regulations. Lessee shall give immediate notice to Lessor of any inquiry, proceeding or communication by or from any governmental or non-governmental entity regarding the presence or suspected presence of any regulated hazardous, infectious, or toxic substances in or about the Premises. Lessee shall indemnify Lessor from any liability, consequential damages, or costs resulting from Lessee's violation of the covenants set forth herein.
15. Lessee shall not commit or permit to be committed any waste on the Premises, shall not maintain, commit or permit the maintenance or commission of any nuisance on the Premises, including but not limited to the playing of music at volumes that disturbs the neighbors, and shall not use the Premises or permit the Premises to be used for any unlawful purpose. Lessee and its occupants shall also conform to and obey all present and future laws, ordinances, rules and regulations of the United States, State of Ohio, County of Delaware, and City of Delaware, and subdivisions and agencies thereof, concerning the Premises and its occupation and use, and any alterations made by Lessee. Lessee is also responsible for complying with all zoning laws and regulations and acquiring all necessary permits and approvals for its use of the Premises.
16. Lessee agrees that it will not permit any pets to be brought onto the Premises, which prohibition shall be strictly enforced.
17. Lessor has provided smoke detectors(s) on the Premises with working battery(ies). Lessee shall regularly test the smoke detector(s) on the Premises, replace at Lessee's cost any batteries that need replaced, and report to Lessor any smoke detector that is not working properly. Lessee shall do nothing to hinder the smoke detector from being in and continuing in proper operating condition.
18. Lessee shall not have the right to assign or sublet the premises or any portion thereof in each case obtaining the prior written consent of Lessor. Such assignment shall not relieve the Lessee of the obligation to perform the terms of this lease including payment of rents. Consent to assignment shall not be withheld reasonably.

First Presbyterian Church of Delaware Apartment Residential Agreement

This agreement is made and entered into this ____ day of _____, between The First Presbyterian Church, hereinafter referred to as Lessor(s), and _____, hereinafter referred to as the Lessee(s). Lessor(s), agrees to lease to Lessee(s) the premises situated at **23 North Washington Street**, more particularly described as **Apartment ____**, for a term of _____, to commence _____ and terminate on _____ as described in Section 16 of this document.

1. **RENT:** Lessee(s) agree to pay, without demand, the Lessor(s) as rent for the described premises at a rate of \$_____ per month in advance on the first calendar day of each month, beginning _____, at the office of the Lessor(s) at 73 West Winter Street, Delaware, Ohio.
2. **LATE CHARGE:** Lessee(s) agree to pay, without demand, the Lessor(s) as a late charge for the described premises the sum of \$10.00 after the 10th of the month if the rent has not been paid as described in section 1 of this document. An additional charge of \$2.00 will be charged for each additional day starting on the 11th of the month until the rent and late charge is paid in full. However, the obligation of said late penalties and payments shall not inhibit Landlord's rights to declare Tenant in breach of this Lease and initiate a civil action of forcible entry and detainer for nonpayment of rent. Nor should the acceptance of said late payments with or without penalties constitute a waiver of any of Landlord's rights relating to the default of Tenant. The acceptance of any late payment or penalty shall also not constitute a change or modification of this Lease agreement. The initiation of any civil action against Tenant regarding its default does not limit, eliminate, nor reduce the Landlord's right to receive the late penalties and payments described above.

Any and all rental payments received shall be applied first to any late penalties incurred by Tenant; then to the most delinquent past due rental payments; then to current rent owed.

3. **SECURITY DEPOSIT:** Upon execution of this lease, the Lessee(s) shall deposit with the Lessor(s) the sum of \$100.00, receipt of which is acknowledged by Lessor(s), as security for the faithful performance by Lessee(s) of the terms hereof, to be returned to Lessee(s) without interest, on the full and faithful performance by them of the provisions hereof.

The Security Deposit shall be held by the Landlord until the completion of this Lease agreement and/or the Tenant vacates the Property. Thereafter, Landlord shall inspect the Property for damages beyond normal wear and tear use by the Tenant. If Tenant has provided a new mailing address to Landlord, Landlord shall then provide written notice of any reduction of the Security Deposit prior to any refund being distributed. Landlord shall apply the **Security Deposit as follows: \$150.00 as a non-refundable cleaning fee and includes a \$15 key deposit**. Landlord shall also be entitled to apply the Security Deposit to any unpaid late penalties, monthly rents owed, damages beyond normal wear and tear to the Property, and any unpaid utilities.

Each of the Tenant(s) shall be jointly and severally responsible for any damages to the Property if caused by any Tenant, invitees, guests, family, and/or friends of Tenants.

4. **QUIET ENJOYMENT:** Lessor(s) covenants that on paying the rent and performing the covenants listed herein, Lessee(s) shall peacefully and quietly have, hold and enjoy the described premises for the agreed term.

5. **USE OF PREMISES:** The described premises shall be used and occupied by Lessee(s) exclusively as a private single-family residence, and neither the premises nor any part thereof shall be used at any time during the term of this lease by Lessee(s) for the purpose of carrying on any business, profession, or trade of any kind, or for any purpose other than as a private single-family residence. Lessee(s) shall comply with all the sanitary laws, ordinances, rules and orders of appropriate governmental authorities affecting the cleanliness, occupancy, and preservation of the described premises, and the sidewalks connected thereto, during the term of this lease.

6. **NUMBER OF OCCUPANTS:** Lessee(s) agree that the described premises shall be occupied only by the Lessee(s) and their minor children, without the written consent of Lessor(s), with a maximum occupancy not to exceed three persons.

The following persons are permitted to occupy the Premises:

1.

7. **CONDITION OF PREMISES:** Lessee(s) stipulate that they have examined the described premises, including the grounds and all buildings and improvements, and that they are, at the time of this lease, in good order, repair, and safe, clean and tenantable condition.

8. **ASSIGNMENT AND SUBLETTING:** Without the prior written consent of Lessor, Lessees shall not assign this lease, or sublet or grant any concession or license to use the premises or any part thereof. A consent by Lessor to one assignment, subletting, concession, or license shall not be deemed to be a consent to any subsequent assignment, subletting, concession, or license. An assignment; subletting, concession or license without the prior written consent of Lessor or an assignment or subletting by operation of law, shall be void and shall, at Lessor's option, terminate this lease.

9. **ALTERATIONS AND IMPROVEMENT:** Lessees shall make no alterations to the buildings on the described premises or construct any building or make any improvements on the described premises without the prior written consent of Lessor. All alterations, changes and improvements built, constructed or placed on the described premises and movable personal property, shall, unless otherwise provided by written agreement between Lessor and Lessees, be the property of Lessor and remain on the described premises at the expiration or sooner termination of this Lease.

10. **DAMAGE TO PREMISES:** If the described premises, or any part thereof, shall be partially damaged by fire or other casualty due to Lessees' negligence or willful act or that of his employee, family, agent or visitor, the premises shall be promptly repaired by Lessor and there shall be an abatement of rent corresponding with the time during which, and the extent to which the lease premises may have been untenable; but, if the leased premises should be damaged other than by Lessees' negligence or willful act or that of his employee, family, agent or visitor to the extent that Lessor shall decide not to rebuild or repair, the term of this lease shall end and the rent shall be prorated up to the time of the damage. Lessees shall be responsible to Lessor for all damages beyond Lessees' deposit in the event of default or abandonment by the Lessees.

11. **DANGEROUS MATERIALS:** Lessees shall not keep or have on the leased premises any article or thing of a dangerous, inflammable or explosive character that might unreasonably increase the danger of fire on the leased premises or that might be considered hazardous or extra hazardous by any responsible insurance company.

12. **UTILITIES:** Tenant agrees to pay all monthly charges for the following utilities: 1) electric; 2) gas; 3) cable tv / satellite / internet; 4) telephone. Tenant hereby acknowledges that if Landlord should receive a bill for any of the above-mentioned utilities, or others charged to Tenant or Landlord for the Property, Landlord shall have the right to submit said bill to Tenant and Tenant shall pay said bill or reimburse Landlord for said bill if it has already been paid by Landlord, within seven (7) days of the receipt of the bill for the respective utility service.

13. **MAINTENANCE AND REPAIR:** Lessees will, at their sole expense, keep and maintain the leased premises, all major appliances and appurtenances in good and sanitary condition and repair during the term of this lease and any renewal thereof. In particular, Lessees shall keep the fixtures in the house or on or about the leased premises in good order and repair. Lessees agree that no signs shall be placed or painting done on or about the leased premises by Lessees or at their direction without the prior consent of Lessor. Lessor will be responsible for all repairs to the roof, heating, plumbing, water and electrical systems.

14. **SMOKING:** No occupants, guests, or other persons shall be permitted to smoke within the Property at any time. Any and all persons wishing to smoke shall do so outside of the Property's structure. Moreover, no person shall leave any remnants of any cigarettes, cigars, or the like on the Property's sidewalk, porch, or yard but shall instead place any butts in an appropriate and safe receptacle. Tenants shall be responsible to ensure that any and all guests or invitees abide by this term and shall be deemed in breach of this Lease agreement if they should fail to do so.

15. **ANIMALS:** Lessees shall keep no domestic or other animals on or about the leased premises.

16. **RIGHT OF INSPECTION:** Lessor and its agents shall have the right at all reasonable times during the term of this lease and any renewal thereof to enter the described premises for the purpose of inspecting the premises and all building improvements thereon.

17. **HOLDOVER BY LESSEES AND OPTION TO RENEW:** Lessor and Lessees mutually agree that either the Lessor or the Lessees may terminate this lease at the end of the above initial term by given the other party written notice thereof at least thirty (30) days prior thereto by the Lessee and a least sixty (60) days prior thereto by the Lessor. In the absence of such notice, this lease shall continue on the terms and conditions contained in this lease and in force prior to expiration of the above-stated initial term in successive periods of one month unless terminated by either the Lessor or Lessees by giving the other part written notice of termination at least thirty (30) days prior by the Lessee and a least sixty (60) days prior by the Lessor to the expiration of the current term.

Tenant agrees to leave the Property in as clean and good a condition as it was at the beginning of this Lease agreement. Tenant shall also provide written notice at least thirty (30) days in advance, of their intention to terminate the Lease and/or intention to vacate the Property, and shall provide the date by which the Property shall be vacated. A forwarding address for Tenant shall also be provided to Landlord. If Tenant fails to provide the above-described notice, Tenant hereby

acknowledges that they shall forfeit the Security Deposit as a penalty for their failure to provide the required notice to Landlord. If Tenant should vacate the property at any time other than the last day of any month, the entire month's rent shall be due and owing to Landlord for that month. Further, if Tenant should vacate the Property prior to the expiration of this Lease and without being released from this Lease, Tenant(s) agree to be jointly and severally liable for all rent due under this Lease through the expiration of this Lease's term.

18. **SURRENDER OF PREMISES:** At the expiration of the lease term, Lessees shall quit and surrender the premises hereby described in as good state and condition as they were at the commencement of this lease, reasonable use and wear thereof and damages by the elements excepted, and return any and all keys to the Premises to the Lessor.

19 **DEFAULT:** If the rent herein provided for shall at any time be in arrears or unpaid, or if the Tenant should violate or fail to observe any of the terms, conditions, rules and regulations set forth and referred to in this Lease, or if the premises are used in a manner objectionable to the Landlord, or if the occupants of said Property disturb, annoy or disrupt the quiet enjoyment of any other tenants of said building, Landlord shall be entitled to possession of said premises and any possession of Tenant thereafter shall be as a trespasser, and Landlord shall be entitled to recover such possession by any action of forcible entry and detainer or other lawful means, but notwithstanding such recovery of possession, may hold said Tenant liable for any rent unpaid under this Lease until the expiration of the term thereof, less any rentals Landlord may receive from any other tenant of said premises during the balance of the term. Furthermore, the Parties agree that should Tenant default under the terms of this Lease, and should Landlord choose to file a forcible entry and detainer action or other civil action to recover any damages incurred as a result of this Lease against Tenant, Tenant shall be responsible and liable for the payment of any and all attorney fees and costs incurred by Landlord in the filing and litigation of those actions.

Further, Tenant hereby specifically agrees to:

- a. Keep the part of the Property which Tenant occupies and uses safe and sanitary.
- b. Dispose of rubbish, garbage and other wasted in a clean, safe and sanitary manner in appropriate containers.
- c. Keep all plumbing fixtures in the premises or used by Tenant as clean as they were at the beginning of their tenancy.
- d. Use and operate all electrical and plumbing fixtures safely and properly.
- e. Comply with requirements imposed by all applicable state and local housing, health and safety codes.
- f. Personally refrain, and forbid any other person who is on the Property with Tenant's permission, from intentionally or negligently destroying, damaging or removing any fixtures, appliances, or any other part of the Property.
- g. Tenant agrees not to remove any Landlord owned appliances from the Property.
- h. Conduct himself/herself, and require other persons on the Property with his/her consent to conduct themselves in a manner which will not disturb their neighbors' peaceful enjoyment of their premises and properties.
- i. Not to commit any waste or cause a nuisance in or about the Property.
- j. Maintain a "renter's insurance" policy at all times during this Agreement which will, at a minimum, cover any damage to the Property committed by Tenant and/or any other invitees, guests, friends, and/or family of Tenants.

- k. Return any and all entry and mailbox keys to Landlord upon Tenants' moving out of the Property.
- l. Not to maintain a waterbed on the Property without prior written consent by Landlord.
- m. Not display, affix, hang, or brandish any flags, banners, signs, satellite dishes, or other objects, of any kind, on the exterior of the building of the Property nor shall any such object be displayed in any visible window or doorway of the Property without prior written permission of Landlord.
- n. Maintain any appliances, equipment, machinery, or other pieces of personal property in a safe and operable condition. Tenant hereby acknowledges that if a clothes washer and dryer have been supplied by Landlord then these units are only for Tenant's convenience. However, Landlord has expressly informed Tenant that Landlord shall not be responsible for repairing or replacing said units should they ever become inoperable, or needed serviced. Landlord shall not be responsible for servicing or replacing these units but Tenant shall expressly be permitted to cause these units to be repaired or replaced, as their sole cost and discretion.

X.(i) – Infestations and/or Bed Bugs – Tenant hereby agrees that to the best of its knowledge and observation the residential unit is free of any insect, rodent, or bed bug infestation. The Landlord has the statutory duty of maintaining the residential unit in a safe and habitable condition throughout Tenant's occupancy. Should the unit ever become infested with any insects, rodents, and/or bed bugs during Tenant's tenancy, the Landlord shall cause to have said infestation remediated and shall pay for the cost of such remediating unless it can be determined by Landlord that the cause of said infestation was the actions and/or behaviors of Tenant himself/herself. If such a determination can be made, in good faith and in the sole discretion of the Landlord, Landlord shall cause the infestation to be remediated, shall pay for the same, but shall have the authority to charge Tenant for any costs associated with the infestation remediation. Upon presentment to Tenant of invoices evidencing such remediation costs incurred by Landlord, Tenant shall then have 14 days to reimburse Landlord for such remediation costs, or until the immediately subsequent month's rent becomes due, whichever comes later.

DEFAULT BY LANDLORD: If the Landlord is in default of the obligations imposed by this Lease, prior to terminating this Lease Tenant shall provide Landlord with written notice of the default of Landlord's obligations. Thereafter, Landlord shall have a reasonable amount of time to cure said defaults prior to Tenant terminating this Lease. If Landlord fails or refuses to cure said defaults then Tenant may terminate this Lease by providing Landlord no less than thirty (30) days notice of their intention to terminate this Lease. **Landlord has fewer than three rental properties. Thus, R.C. 5321.07 shall not apply to Tenant.**
